

# Christian Residential Centre Team Members Required

An exciting opportunity has arisen to introduce two new members to our team located at Hill House Christian Centre in the South West. These posts could be filled by either a couple or two single people.

You will work as part of the existing team to ensure the centre is run efficiently. The work will be varied covering all aspects of work on site, so a flexible attitude is essential. As well as the general day to day requirements for keeping the centre running, you will be responsible for the site management whilst hosting groups on site. We run an established schools residential programme and it is envisaged that you will be very involved in helping us drive this work forward, as well as being involved in sharing your faith in appropriate ways. Regular weekend work will also be required.

Both posts are anticipated to be live in and on site accommodation is provided as part of the remuneration package. Training and support will be provided as required by both the existing on site team and the trustees where appropriate.

We look forward to hearing from enthusiastic individuals who can help us provide a place for our guests to experience a safe environment where they can learn more of the love of Christ and what God has in store for them.

**The successful candidate(s) will have the following skills and experience:**

**Essential**
