Summer Camps

Explore 2020

A huge welcome to Hill House Summer Camp 2020. It is very different to normal as this year will be the first ever year camp is done VIRTUALLY!!

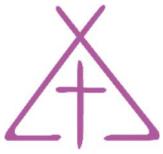

We are all very excited to see how it goes but saddened that we cannot get to do Explore together at Hill House. This is the first year since 1946 that Hill House Camp has not been able to go ahead.

The Explore team have been plotting, planning, scheming & filming to bring you a taste of what Hill House Explore is all about. There will be some Challenges, Daily talks, Puzzles, Craft, songs & much more. Everyday you will be able to see the videos available for that day on the website www.hillhouse.org.uk/virtualcamp

This Booklet is for you to have a look through, follow the talks and see what you think about what they said. It is for you to keep and treasure as you are the first ever Virtual Explore Campers. There are also various pages throughout to have some fun with and give you a taster of Explore.

We really really really hope that Explore 2021 will happen, especially as it will be the 75th anniversary since camp started. There will likely be a celebration for this near to camp so please like and follow us on Facebook & Instagram. You can also keep up to date with all Hill House happenings on the new website www.hillhouse.org.uk

Chocolate chip cookies

Check out our best chocolate chip cookie recipe, soft and chewy in the middle with a perfectly crisp outside. Packed with oozing chocolate, they'll go down a treat with the whole family.

Ingredients

salted butter 150g, melted

soft dark brown sugar 75g

caster sugar 75g

egg 1

vanilla extract ½ tsp

plain flour 100g

strong white bread flour 100g

baking powder ½ tsp

sea salt flakes a pinch, plus extra to serve

dark chocolate 100g, chopped into small chunks

Method

STEP 1

Whisk together the melted butter and sugars using electric beaters until light, thick and fluffy, then add the egg and vanilla extract, and whisk again until really light and fluffy.

STEP 2

In a separate bowl, mix together the flours, baking powder and a pinch of sea salt, then fold into the butter and sugar mixture to make a dough. Reserve 16 of the largest dark chocolate pieces and set aside. Fold the remaining chopped chocolate into the dough.

STEP 3

Line 2 large baking trays with baking paper. Use an ice-cream scoop to make 8 dough balls, then place them on the trays ensuring there are large gaps around each one (the cookies will spread in the oven). Push the large chunks of reserved chocolate into each ball and chill in the fridge for an hour.

STEP 4

Heat the oven to 180C/fan 160C/gas 4. Bake for 10-12 minutes or until just set, and a little brown at the edges. Cool on the trays for 10 minutes before transferring to a wire rack to cool completely. Sprinkle with extra sea salt, if you like.
