

The Hill House trust have reviewed the mission vision and values for the organisation, confirming our commitment to provide a place that enables people to grow develop and connect with Jesus.

Mission Statement

“Provide a space where everyone can encounter Jesus”

Values

Gods Place. Everything flows from this value, we recognise that Hill House is God’s dwelling. A special place in which anyone can recognise the presence of God as soon as they hit the drive way. Hill House is a testimony to God at work in people’s lives.

About People. Whilst Hill House is a building, what we do is all about people. We want to go the “extra mile” to make sure people are cared for and supported. Everyone involved does so because they are called to serve, it’s a partnership between the team, trust and guests. Hill House builds on testimonies of God at work in people’s lives and believes in faith, that God will work through his people to build Hill House’s future.

Expectation. We want people to come to Hill House anticipating that God will work, because they have seen, heard or experienced this in the past. We want Hill House to be known as a safe and secure place, where God provides for and meets with his people.

Caring. We want to provide a place that welcomes everyone, that is a caring and nurturing space, where people can pause, reflect and grow. We want to demonstrate care in a practical way, by providing a quality facility and excellent service.

Vision

“Building on our Legacy for Christ “

We recognise, that we are caretakers of this place for a time and that Hill House, has a rich testimony that demonstrates God at work in people lives. We have been given a strong and secure foundation. We do not take this legacy lightly and we want to dream big and act in faith as our predecessors did. We want to be Christ led, open to ideas, progressing forward and trusting in God as we seek sustainable growth of the facilities and activities we offer. We want to remain accessible and affordable whilst delivering quality and excellent service, all for the Glory of God.
